Yes, it is time you were thinking about sending off your reservation deposit for the Annual Membership Meeting. In fact some of the members have already received their confirmation from the hotel.

This year the Annual Membership Meeting is to be held at Miami Beach, Florida. Mrs. Ruppert, president of the Tropical Chapter, tells us that this is going to be the biggest and best.

So far the schedule shapes up like this:

Plan to arrive Friday afternoon or evening.

Saturday - 9:00 AM to Noon - Committee meetings and workshops.

Registration during this time also.

Afternoon free for shopping and visiting

8:00 PM - Board Meeting

Sunday - 9:00 AM - Annual Membership Meeting gets under way.

1:00 PM - Special Membership Luncheon Installation of new officers.

There are a number of things that all members will be interested in, to be taken up during the business session of the convention. There are new rules and regulations proposed to govern flower shows and judge qualifications. There is a proposed change to the by-laws concerning commercial memberships. There is also the possibility of providing signs for the commercial members and details to be worked out for this.

But best of all this is a good time to relax and renew old friendships. Make a date with me at the Annual Membership Meeting, June 9th, 10th and 11th.
